Attention: Mr. B. E. Thompson

Administrative Order NFO-203

Gentlemen:

Reference is made to your application for permission to flare or vent low pressure gas from your Amanda Well No. 1 BL-T, located in the NW/4 SE/4 of Section 25, Township 22 South, Range 37 East, Lea County, New Mexico, in the Blinbry and Tubb Gas Pools.

By authority granted me under provisions of Rule 5 of Order R-464, you are hereby authorized to flare low pressure gas from the above described well.

You must file Form C-110 in quintuplicate with the Hobbs office of this Commission (Box 2045), showing thereon that the low pressure gas is being vented or flared. -In the future if you secure a connection for your gas, you must file an amended C-110 showing the applicable information. If you have not filed Form C-110, please do so immediately in compliance with the rule.

At some future date the Commission may request that you furnish this office with a progress report of your efforts to eliminate the venting or flaring of gas from the above described well.

Very truly yours,

W. B. Macey
Secretary-Director
