17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Water broke through and killed the well. At present time, there is no way to pump the water off and produce the well; and it has been temporarily abandoned while a decision is made on whether or not it would be more feasible to try to correct the problem, or get electricity into the location to pump off the water.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
