ADDRESS CORRESPONDENCE TO
823 MIDLAND TOWER BUILDING
MIDLAND, TEXAS

Mr. Charles M. Reider
New Mexico Oil Conservation Commission
P. O. Box 2045
Hobbs, New Mexico

Dear Mr. Reider:

Enclosed please find Western's application
for permission to drill the Combest #3, A, 35-
23-36, Lea County, New Mexico.

This letter is to confirm the request, made
by our representative, Mr. Don Gillit, for permis-
sion to make an unorthodox location because a
standard 660 foot location would fall on pipeline
right of way and county road.

Very truly yours,

WESTERN NATURAL GAS COMPANY
