Re: Kan-Mex Corporation #1 Mosley  
Sec. 10 T. 24S, R. 36E, Cooper-  
Jal Pool, Lee County

Dear Mr. Gardner:

Thank you for bringing to our attention the error which inadvertently got into our report on Form C-103 of the Result of Shooting or Chemical Treatment of Well, above captioned. Your assumption that the report should have read 3570 to 3590, three shots per foot, is correct.

Will you correct the report in your files to so read, or do you prefer that we file a new report with you.

Please accept our apology for this error.

Very truly yours,

KAN-MEX CORPORATION
