RE: Pike Federal No. 1
Lea County, New Mexico

Gentlemen:

Enclosed please find copies of your C-116 and C-102 for our Pike Federal No. 1. The Pike Federal is currently scheduled in the Tubb (Prorated Gas). We recently installed a pumping unit on this well and the new test indicated the well should be reclassified from Tubb Gas to Tubb Oil. Please find a special C-116 reflecting this test.

Thank you for your consideration in this matter. If you have any questions, please call.

Yours very truly,

Ronnie H. Westbrook
Vice-President
