The application for permit to drill this well was approved August 15, 1980. On November 21, 1980, approval was granted to extend the permit 90 days (to approximately Feb. 15, 1981). Due to difficulties in obtaining drilling rigs, we still have been unable to drill the well, and now request an additional 90-day extension (to approximately May 15, 1981).
