Gentlemen:

On June 27, 1975, we wrote to you requesting that you either submit Form C-116 and obtain an allowable for your Monsanto State No. 1 located in Unit I of Section 16, T-25-S, R-32-E, or cease showing production for the well on Form C-115. Your June C-115 again shows production for the well although no allowable has been assigned.

If this well is producing, please shut it in immediately and it is to remain shut in until you have submitted Form C-116 and an allowable has been assigned. If the well is shut in as shown in our records, please do not show production on Form C-116.

Yours very truly,
