

NEW MEXICO OIL CONSERVATION COMMISSION  
 Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	<b>X</b>	REPORT ON DEEPENING WELL	
REPORT ON RESULT OF PLUGGING OF WELL			

Monument, New Mexico Place October 11, 1937 Date

OIL CONSERVATION COMMISSION,  
 Santa Fe, New Mexico.

Gentlemen:

Following is a report on the work done and the results obtained under the heading noted above at the \_\_\_\_\_

Amerada Petroleum Corporation J.A. Stuart Well No. 1 in the  
 Company or Operator Lease  
NW 1/4 NW 1/4 of Sec. 14, T. 25, R. 37, N. M. P. M.,  
Langlie Field, Lea County.

The dates of this work were as follows: \_\_\_\_\_

Notice of intention to do the work was [~~was not~~] submitted on Form C-102 on October 9, 1937 19\_\_\_\_  
 and approval of the proposed plan was [was not] obtained. (Cross out incorrect words.)

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

**1 1/2" 40# 8-Tnd. New Lapweld casing was set in this well at 144'7" and cemented by the Halliburton Method with 150 sacks.**

The casing was allowed to stand undisturbed for 48 hours. The cement was then drilled out of the casing and the hole was bailed dry and allowed to stand undisturbed for one hour. The bailer was then run to bottom again to determine if any water had accumulated. No water had accumulated so the drilling was then resumed.

Witnessed by Cecil Previne Rowan Drilling Co. Tool-pusher

 Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection and provide valuable insights into organizational performance.

4. The fourth part of the document addresses the challenges associated with data collection and analysis. It identifies common pitfalls and offers strategies to overcome them, ensuring that the data remains accurate and relevant.

5. The fifth part of the document discusses the importance of data security and privacy. It outlines best practices for protecting sensitive information and ensuring compliance with relevant regulations and standards.

6. The sixth part of the document concludes by summarizing the key findings and recommendations. It emphasizes the ongoing nature of data collection and analysis, and the need for continuous improvement and adaptation to changing organizational needs.

7. The seventh part of the document provides a detailed overview of the data collection process, including the identification of data sources, the selection of appropriate collection methods, and the implementation of data collection protocols.

8. The eighth part of the document discusses the various types of data that can be collected and analyzed, such as financial data, operational data, and customer data. It explains how each type of data can provide valuable insights into different aspects of the organization's performance.

9. The ninth part of the document focuses on the analysis of collected data. It describes the various analytical techniques and tools used to interpret the data and extract meaningful insights that can inform strategic decision-making.

10. The tenth part of the document discusses the importance of data visualization in making data more accessible and understandable. It explores various visualization techniques and tools that can help present complex data in a clear and concise manner.

11. The eleventh part of the document concludes by emphasizing the value of data in driving organizational success. It highlights how data-driven insights can lead to more informed decisions, improved efficiency, and increased competitiveness in the market.

12. The twelfth part of the document discusses the role of data in strategic planning and decision-making. It explains how data can provide a clear picture of the organization's current position and help identify opportunities for growth and improvement.

13. The thirteenth part of the document focuses on the importance of data quality. It outlines the various factors that can affect data quality and provides strategies to ensure that the data is accurate, complete, and consistent.

14. The fourteenth part of the document discusses the role of data in risk management. It explains how data can be used to identify potential risks and develop strategies to mitigate them, ensuring the organization's long-term sustainability.

15. The fifteenth part of the document concludes by summarizing the key findings and recommendations. It emphasizes the importance of a data-driven approach to organizational management and the need for continuous improvement and adaptation to changing market conditions.

16. The sixteenth part of the document provides a detailed overview of the data analysis process, including the selection of appropriate analytical techniques, the implementation of data analysis protocols, and the interpretation of results.

17. The seventeenth part of the document discusses the various types of data analysis, such as descriptive analysis, diagnostic analysis, and predictive analysis. It explains how each type of analysis can provide valuable insights into different aspects of the organization's performance.

18. The eighteenth part of the document focuses on the importance of data interpretation. It describes the various factors that can affect the interpretation of data and provides strategies to ensure that the insights derived from the data are accurate and relevant.

19. The nineteenth part of the document discusses the role of data in performance management. It explains how data can be used to track and measure organizational performance, identify areas for improvement, and develop strategies to enhance performance.

20. The twentieth part of the document concludes by emphasizing the value of data in driving organizational success. It highlights how data-driven insights can lead to more informed decisions, improved efficiency, and increased competitiveness in the market.

21. The twenty-first part of the document discusses the role of data in customer relationship management. It explains how data can be used to understand customer needs and preferences, and develop strategies to improve customer satisfaction and loyalty.

22. The twenty-second part of the document focuses on the importance of data in marketing. It describes how data can be used to identify marketing opportunities, track marketing performance, and develop targeted marketing campaigns.

23. The twenty-third part of the document discusses the role of data in human resources management. It explains how data can be used to track and measure employee performance, identify areas for improvement, and develop strategies to enhance employee engagement and productivity.

24. The twenty-fourth part of the document concludes by summarizing the key findings and recommendations. It emphasizes the importance of a data-driven approach to organizational management and the need for continuous improvement and adaptation to changing market conditions.
