O  
Attention: Mr. G. H. Fisher

Gentlemen:

P  
Reference is made to your application for approval of a 640-acre non-standard gas proration unit in the Jalmat Gas Pool consisting of Section 32, Township 25 South, Range 38 East, NMPM, Lea County, New Mexico. This acreage was to have been assigned to your Arnett Ramsay "B" Well No. 1, located 330' from the West line and 990' from the South line of Section 32.

Y  
Order R-520, Rule 5 (a) paragraph 3, clearly limits, as to the well location, the number of acres that can be assigned a non-standard gas proration unit. This office is unable to grant approval of a non-standard gas proration unit for the above mentioned well of over 160 acres because of the said well's location to its boundaries.

If you have any information which we have not considered or if you should desire a hearing on this matter, please notify the Commission at your earliest convenience.

Very truly yours,

W. B. Macey  
Secretary - Director

Attention: Mr. G. H. Fisher

Dear Sir:

Reference is made to your application for approval of a 640-acre non-standard gas protection unit in the Jaimet Gas Pool consisting of Section 32, Township 25 South, Range 27 East, NMPM, Lea County, New Mexico. This acreage was to have been assigned to your Armon Ramsay "B" Well No. 1, located 330' from the West line and 990' from the South line of Section 32.

Order W-520, Rule 2 (a) paragraph 3, clearly limits, as to the well location, the number of acres that can be assigned a non-standard gas protection unit. This office is unable to grant approval of a non-standard gas protection unit for the above mentioned well of over 160 acres because of the said well's location to its boundaries.

If you have any information which we have not considered or if you should desire a hearing on this matter, please notify the Commission at your earliest convenience.

Very truly yours,

W. S. Alacey  
Secretary - Director
