NEW MEXICO OIL CONSERVATION DIVISION

(Form C-104)
Revised 7/1/67

WELL COMPLETION REPORT

New Well
Recompletion

This report is required for Form C-104 to be submitted to the Division within 30 days of completion of work. It will be a size 11" x 17" sheet of paper, and should be filed during calendar month of completion of work. It should be filed into the file of the well when new oil is delivered.
