Mr. McClure,

After discussing with our land team, we will need to run title on this property to confirm ownership of these pools. This work will be added to our queue, but the proposed workover that would require a DHC has fallen in priority.

We would like to withdraw this application at this time and will resubmit it at a later date when we have confirmed ownership of the proposed downhole commingle pools.

Thank you,  
Vanessa Neal | Sr Reservoir Engineer
