Form C-148  
 Revised  
 January 2022

Operator Name \_\_\_\_\_ OGRID # \_\_\_\_\_  
 RF# \_\_\_\_\_ Facility # \_\_\_\_\_

☐ I certify all recycling containments associated with this recycling facility are using  $\geq 20\%$  of the containment's total fluid capacity every 6 months until closure in compliance with 19.15.34.13(C)<sup>A</sup>

Month/Year \_\_\_\_\_

|                                        |                                          |                                |                             |                                                               |                                                    |
| Recycling Facility Totals <sup>C</sup> |                                          |                                |                             |                                                               |                                                    |

<sup>A</sup> If less than 20% of the total fluid capacity is utilized every six months, beginning from the first withdraw, operation of the facility is considered ceased and a notification of cessation of operations should be sent electronically to OCD Online. A request to extend the cessation of operations, not to exceed six months, may be submitted using a C-147 Long Form to OCD Online.

<sup>B</sup> For recycling containments, operational fluid capacity is the total volume of the containment, minus the volume utilized for the three feet volume of freeboard.

<sup>C</sup> Total the volumes received and the volumes leaving the facility for all equipment.
