The affected tract concerning this well's completed interval is as close as 100 feet to the southern edge. The encroachment infringes toward the exterior state boundary line, which is not concerning of the correlative rights of all interested parties for this unorthodox location.

The Division understands you have given notice of this application to all operators or owners who are "affected persons," as defined in Paragraph (8) Subsection A of 19.15.2.7 NMAC, in all adjoining units towards which the proposed location encroaches. Public notice is not required as all affected parties are located exterior to the State's jurisdiction.

Division understands you are seeking this unorthodox location as your preferred well spacing plan for horizontal wells within the Wolfcamp formation underlying W/2 of Section 27 and the W/2 of Section 34, thereby preventing waste.

Your application has been filed under 19.15.16.15(C)(6) NMAC, 19.15.15.13 NMAC and 19.15.4.12 (A)(2) NMAC.

Per Subsection B of 19.15.15.13 NMAC, **Division approves this unorthodox location.**
