|  |  |                                       |                                    |  |   |
|  |  |                                       |                                    |  |   |
|  |  |                                       |                                    |  |   |
|  |  |                                       |                                    |  |   |
|  |  |                                       |                                    |  |   |
| <b>Recycling Facility Totals<sup>C</sup></b> |  |                                       |                                    |  |   |

<sup>A</sup> If less than 20% of the total fluid capacity is utilized every six months, beginning from the first withdraw, operation of the facility is considered ceased and a notification of cessation of operations should be sent electronically to OCD Online. A request to extend the cessation of operations, not to exceed six months, may be submitted using a C-147 Long Form to OCD Online.

<sup>B</sup> For recycling containments, operational fluid capacity is the total volume of the containment, minus the volume utilized for the three feet volume of freeboard.

<sup>C</sup> Total the volumes received and the volumes leaving the facility for all equipment.
