Tony,

My apologies, and thank you for catching this.

**The withdrawal request is for the Javelina 11-26-37.** In preparing the withdrawal notice, I inadvertently referenced the tracking numbers associated with the Javelina 11-25-37.

The recent amendment submitted for the 11-25-37 is valid and should remain active.

Thank you,

Ben

Ben

We seem to be dealing with a moving target here. I want to confirm that you are referring to the SWD-2595 application since the application and subsequent correspondence (attached) are not aligned with respect to surface location. Please note the following:

1. The Original C-108 submission (Action 317735) was for a well located **11-26-37** with surface distances of **2390 FNL and 320 FEL**
2. On April 16, 2026, the Supplemental information package referenced **11-25-37** with surface distances of **2175 FSL & 345 FWL**
3. On June 16, your e-mail references the well located in **11-26-34**
