Hello Stacy,

I have reviewed the wells within the AOR around the C-108 wells.

I found no new wells other than those belonging to Forty Acres Energy, LLC.

Of the existing wells that fall within the ? mile radius, there has been no change and the notified parties are the same.

The affected persons appear to be the same as well.

Best regards,

Jessica LaMarro | Geologist

Subject: RE: [EXTERNAL] WFX 1040 Extension Request

Good morning Jessica,

The OCD has received your extension request for WFX 1040. A review of the original AOR needs to be completed looking for any new well penetrations and new “affected persons”. If any new “affected persons” are found, they must be noticed. Once the review is complete, please share the results with the UIC team. If you have any questions please let me know.

Thank you,

Stacy Sandoval
