Good morning, Leonard.

I hope this email finds you doing well.

I am following up on the subject NSP that I submitted, and that was approved on July 10, 2026. I accidentally submitted two NSPs for the same spacing unit/formation in the N2 of Sections 36 & 35, 320S, 28E, Eddy Co, NM and both were approved.

We would like to vacate the subject NSP-2426 and keep the NSP for the Easy Company 36/35 W0AB Fed Com #1H Administrative Order NSP-2425.

Can you please let me know if there is a process that I need to complete for this to occur?

Thanks, and sorry for the confusion,

Adriana

llowe	OCD has removed the Well API from this order. This order is no longer valid for this location. NSP-2425 already approves this HSU's NSP and all wells located in the same pool/formation.	7/16/2026
