Re: Rooster SWD #1
API No. 30-005-64417
SWD-2628

Dear Mr. Goetze:

Mack Energy Corporation (Mack) respectfully requests approval for an extension of one year for the UIC permit SWD-2628 (Issued 7/3/2025). Mack was notified by Lea County Electric that electricity is not available at this time. Anticipated availability in late 2026.

Mack Energy is evaluating which wells we can drill and produce based on available power supply. The Rooster SWD #1 is within the restricted area. We anticipate being able to drill the Rooster in late 2026 or early 2027. I am attaching current AOR. Below is a list of newly affected persons within the Rooster SWD #1 AOR. They have been notified by certified mail on 5/27/2026.
