Gentlemen,

Thanks for the time this afternoon. As you will recall, in Case No. 16337, EOG Resources Inc. owns a depth severed interest in the Third Bone Spring. At the time of the hearing McElvain testified that EOG Resources Inc.'s depth severed interest needed to be compulsory pooled. Since that time, McElvain and EOG have reached an agreement related to the interest. Accordingly, EOG Resources Inc. no longer needs to be compulsory pooled, and the Division need not address this depth severed interest in its order—the order will be a regular compulsory pooling order. Please note that I've included Case No. 16336 in this email; Cases 16336 and 16337 were consolidated for hearing purposes. However, the severance only affects Case No. 16337.

Thanks!  
Jordan
