CASES CALLED	03
SUMMARY OF CASE AND EXHIBITS	03
TAKEN UNDER ADVISEMENT	04
REPORTER CERTIFICATE	05

E X H I B I T I N D E X

Admitted

Exhibits 1 through 6 and Attachments in Cases 21058 through 21061	04
--	----

1 HEARING EXAMINER ORTH: That leaves us really
2 with the four matters that I believe Mr. Bruce intends to
3 present by affidavit.

4 MR. BRUCE: We can do them all.

5 HEARING EXAMINER ORTH: Okay. I would like to
6 call matters 21058, 21059, 21060 and 21061. Applicant is
7 Mewbourne, and the well is Foxhole.

8 Mr. Bruce.

9 MR. BRUCE: Jim Bruce representing Mewbourne Oil
10 Company and presenting these cases by affidavit, and it will
11 be very quick.

12 In these four cases Mewbourne seeks to force pool
13 collectively all of Section 25 and the E/2 of Section 26 for
14 four Wolfcamp wells. And the wells are all mile and a half
15 in length. And they -- one of the wells -- the wells are
16 40-acre oil wells in the Wolfcamp, and the wells occupy the
17 N/2N/2 S/2N/2 N/2S/2 S/2S/2 of the subject acreage.

18 All of the data is in there, the landman's -- the
19 geologist's affidavit is common for all of these cases, but
20 I did include it in each case file. And there is an
21 affidavit of publication, although just this morning I got
22 the final green cards in, so everybody received total
23 notice, complete notice of this hearing.

24 And the only comment I have is that Sharon
25 Shaheen entered an appearance for Strata Production Company,

1 and I talked with her this morning about it. They got
2 additional data and some promises from Mewbourne, so they're
3 not objecting.

4 Mewbourne has agreed to continue negotiating with
5 them in the future and provide them with the title opinion
6 and some other data, and so they are content, and they are
7 trying to work things out for the parties that are being
8 pooled.

9 So with that I would move the admission of
10 Exhibit 1 through 6 in each case and ask that they all be
11 taken under advisement.

12 HEARING EXAMINER ORTH: All right. Mr. Coss, do
13 you have any questions?

14 EXAMINER COSS: I do not.

15 HEARING EXAMINER ORTH: Exhibits 1 through 6 in
16 each of the four cases is accepted, and all the four matters
17 will be taken under advisement. Thank you, Mr. Bruce.

18 (Exhibits 1 through 6 in cases 21058 through
19 21061 admitted.)

20 (Cases taken under advisement.)

21 HEARING EXAMINER ORTH: Don't forget to go to the
22 portal to continue that one Tap Rock Resources.

23 HEARING EXAMINER ORTH: We are adjourned. Thank
24 you.

25 (Docket concluded.)
