

**STATE OF NEW MEXICO  
ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT  
OIL CONSERVATION DIVISION**

**APPLICATION OF MARATHON OIL  
PERMIAN LLC TO AMEND ORDER  
NO. R-21132, EDDY COUNTY, NEW MEXICO**

**CASE NO. \_\_\_\_\_  
ORDER NO. R-21132  
(Re-Open)**

**APPLICATION**

Marathon Oil Permian LLC (“Marathon”), OGRID Number 372098, through its undersigned attorney, files this application with the Oil Conservation Division (“Division”) for the limited purpose of amending Order No. R-21132 as follows: 1) conforming Division Order No. R-21132 to the amended order template (“Amended Order Template”) described in the Letter of the Division Director dated April 9, 2020 (Re: Amendments to Compulsory Pooling Order Template); and 2) amending Order No. R-21132 to allow for an extension of time for drilling the wells under the Order. In support of this application, Marathon states as follows:

1. Order No. R-21132 pooled uncommitted interest owners in a 320-acre, more or less, Wolfcamp horizontal spacing unit comprised of the W/2 of Section 22, Township 24 South, Range 28 East, NMPM, Eddy County, New Mexico.

2. Order No. R-21132 designated Marathon as the operator of the wells and the unit.

3. The Division Hearing for Case No. 20468 was held on May 2, 2019.

4. The Division entered Order No. R-21132 in Case No. 20468 on February 20, 2020.

This order was issued under the “interim form of order” and does not conform to the Amended Order Template.

5. Marathon requests that Order No. R-21132 be re-opened to conform this order to the terms of the Amended Order Template.

6. Marathon further requests that Order No. R-21132 be re-opened and amended to allow Marathon additional time to commence drilling the wells under the Order.

7. Order No. R-21132 ¶ 20 states: “The Operator shall commence drilling the initial well within one (1) year after the date of this Order; and (b) for an infill well, no later than thirty (30) days after completion of the well.”

8. The Amended Order Template contains the same obligation to commence drilling within one year, Amended Order Template ¶19. It also states: “This Order shall terminate automatically if Operator fails to comply with Paragraph 19 unless Operator obtains an extension by amending this Order for good cause shown.” Amended Order Template ¶ 20.

9. Good cause exists for Marathon’s request for an extension of time.

10. Marathon requests this extension because there have been changes in Marathon’s drilling schedule due to COVID-19 and current market conditions.

11. Marathon’s operations and drilling activity have been impacted by COVID-19 and oil and gas market conditions.

12. Under Order No. R-21132, Marathon would be required to commence drilling the wells by February 21, 2021.

13. Marathon asks that the deadline to commence drilling the wells be extended for a year from February 21, 2021 to February 21, 2022.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on January 7, 2021, and after notice and hearing as required by law, the Division:

A. Amend Order No. R-21132 to conform it to the terms of the Amended Order Template; and

B. Amend Order No. R-21132 to extend the time for Marathon to commence drilling the wells under the Order for a year, through February 21, 2022.
