STATEMENT OF THE CASE

In Case No. 23210, Novo seeks an order from the Division pooling all uncommitted interests within a Bone Spring horizontal spacing unit underlying the W/2 of Sections 9 and 16, and the N/2 NW/4 of Section 21, Township 19 South, Range 30 East, N.M.P.M., Eddy County, New Mexico. The spacing unit will be dedicated to the Tickety Boo Fed Com 2109 121H, Tickety Boo Fed Com 2109 122H, Tickety Boo Fed Com 2109 123H, Tickety Boo Fed Com 2109 131H, Tickety Boo Fed Com 2109 132H, and Tickety Boo Fed Com 2109 133H wells, to be horizontally drilled. The wells will be drilled at orthodox locations. The completed interval for the Tickety Boo Fed Com 2109 122H and the Tickety Boo Fed Com 2109 132H wells will be less than 330' from the adjoining tracts to allow inclusion of proximity tracts within the proposed standard horizontal spacing unit. Also to be considered will be the cost of drilling and completing said wells, the allocation of these costs as well as the actual operating costs and charges for supervision, designation of Novo as operator of the wells, and a 200% charge for risk involved in drilling said well. Said area is located approximately 22 miles northwest of Carlsbad, New Mexico
