STATEMENT OF CASES

APPLICANT:

In **Case No. 23805**, Novo seeks an order amending Order No. R-22410 requesting a one-year extension of time to commence drilling the wells until December 5, 2024. Order No. R-22410 pooled all uncommitted interests owners in the Wolfcamp formation underlying a 320-acre, more or less, standard horizontal spacing unit comprised of the W/2 of Section 26, Township 22 South, Range 28 East, N.M.P.M, Eddy County, New Mexico, and dedicated 3 wells within the horizontal spacing unit. Order No. R-22410 designated Novo as the operator of the wells and the unit. Novo has experienced delays in its drilling schedule caused by their corporate parent being a party to a sales transaction in June of 2023. Accordingly, Novo requests the Division amend Order No. R-22410 to extend the deadline to commence drilling operations until December 5, 2024.

In **Case No. 23806**, Novo seeks an order amending Order No. R-22411 requesting a one-year extension of time to commence drilling the wells until December 5, 2024. Order No. R-22411 pooled all uncommitted interests owners in the Bone Spring formation underlying a 160-acre, more or less, standard horizontal spacing unit comprised of the W/2W/2 of Section 26, Township 22 South, Range 28 East, N.M.P.M, Eddy County, New Mexico, and dedicated 2 wells within the horizontal spacing unit. Order No. R-22411 designated Novo as the operator of the wells and the unit. On December 8, 2022, the Division entered Order No. 22411-A amending Order No. R-22411 to include a new Exhibit A Compulsory Pooling Application Checklist. Novo has experienced delays in its drilling schedule caused by their corporate parent being a party to a sales transaction in June of 2023. Accordingly, Novo requests the Division amend Order No. R-22411 to extend the deadline to commence drilling operations until December 5, 2024.
