APPLICATION OF TAP ROCK OPERATING, LLC TO EXTEND TIME TO COMMENCE DRILLING OPERATIONS UNDER ORDER NO. R-22604, LEA COUNTY, NEW MEXICO.

**CASE NO. 24008** 

#### SELF-AFFIRMED STATEMENT OF CHAD MATNEY

- 1. I am a landman at Tap Rock Operating, LLC ("TRO"). I am over 18 years of age and am competent to provide this Self-Affirmed Statement. I have previously testified before the New Mexico Oil Conservation Division ("Division") and my credentials as a petroleum landman have been accepted and made a matter of record.
- 2. I am familiar with the land matters involved in the above-referenced case. Copies of TRO's application and proposed hearing notice are attached as **Exhibit A-1**.
  - 3. On March 30, 2023, the Division issued the Order in Case No. 22934, which:
    - a. pooled all uncommitted interests within the Bone Spring formation underlying a 640-acre, more or less, standard horizontal spacing unit ("Unit") comprised of the W/2 of Sections 11 and 14, Township 20 South, Range 32 East, NMPM, Lea County, New Mexico;
    - b. dedicated the Unit to the Double Stamp Fed Com #111H, #115H, #121H, #125H, #131H, #135H, #151H, #171H, #112H, #122H, #127H, #132H, #152H, and #172H wells ("Wells"); and
    - c. designated TRO as operator of the Unit and Wells.

- 4. Paragraph 19 of the Order requires TRO to commence drilling the Wells within one (1) year of the date of the Order unless TRO obtains a time extension from the Division Director for good cause shown.
- 5. Good cause exists for a time extension since TRO's ability to commence drilling the Wells has been impacted by federal permitting delays.
- 6. Accordingly, TRO requests the Division extend the deadline to commence drilling the Wells under the Order until March 31, 2025.
  - 7. TRO further requests the other provisions of the Order remain in force and effect.
  - 8. TRO is in good standing under the statewide rules and regulations.
- 9. In my opinion, granting TRO's applications will serve the interests of conservation, the protection of correlative rights, and the prevention of waste.
- 10. The attached exhibits were either prepared by me or compiled under my direction and supervision.
- 11. I understand this Self-Affirmed Statement will be used as written testimony in the subject cases. I affirm that my testimony in paragraphs 1 through 10 above is true and correct and is made under penalty of perjury under the laws of the State of New Mexico. My testimony is made as of the date handwritten next to my signature below.

- 11. The Unit contains separately owned uncommitted interests in oil and gas minerals.
- 12. Some of the owners of the uncommitted interests have not agreed to commit their interests to the Unit.
- 13. The pooling of uncommitted interests in the Unit will prevent waste and protect correlative rights, including the drilling of unnecessary wells.
- 14. This Order affords to the owner of an uncommitted interest the opportunity to produce his just and equitable share of the oil or gas in the pool.

#### **ORDER**

- 15. The uncommitted interests in the Unit are pooled as set forth in Exhibit A.
- 16. The Unit shall be dedicated to the Well(s) set forth in Exhibit A.
- 17. Operator is designated as operator of the Unit and the Well(s).
- 18. If the location of a well will be unorthodox under the spacing rules in effect at the time of completion, Operator shall obtain the OCD's approval for a non-standard location in accordance with 19.15.16.15(C) NMAC.

well. An owner of a Pooled Working Interest who fails to pay its share of the Estimated Well Costs or who elects to pay its share of the Actual Well Costs out of production from the well shall be considered to be a "Non-Consenting Pooled Working Interest."

- 24. No later than one hundred eighty (180) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the Actual Well Costs. The Actual Well Costs shall be considered to be the Reasonable Well Costs unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Reasonable Well Costs after public notice and hearing.
- 25. - 27. No later than within ninety (90) days after Operator submits a Form C-105 for a well, Operator shall submit to each owner of a Pooled Working Interest an itemized schedule of the reasonable charges for operating and maintaining the well ("Operating Charges"), provided however that Operating Charges shall not include the Reasonable Well Costs or Supervision Charges. The Operating Charges shall be considered final unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Operating Charges after public notice and hearing.
- 28. Operator may withhold the following costs and charges from the share of production due to each owner of a Pooled Working Interest who paid its share of the Estimated Well Costs: (a) the proportionate share of the Supervision Charges; and (b) the proportionate share of the Operating Charges.
