CASE NO. 23959

**COG OPERATING LLC'S UNOPPOSED MOTION FOR EXTENSION
OF TIME TO FILE EXHIBITS**

COG Operating LLC ("COG") submits this motion for an order extending the deadline to file exhibits until January 30, 2024. In support of this motion, COG states as follows.

1. This matter is currently set for a contested hearing on February 1, 2024.
2. The Pre-Hearing Order, issued on December 21, 2023, requires the parties to file exhibits by January 25, 2024.
3. The parties are currently engaged in settlement negotiations and believe that extending the deadline for the submission of exhibits will allow additional time to resolve this matter.
4. XTO Energy, Inc., does not oppose this motion.

WHEREFORE, COG requests an extension until January 30, 2024 to file exhibits.

Respectfully submitted,

HINKLE SHANOR, LLP
