**APPLICATION OF AVANT OPERATING, LLC  
FOR COMPULSORY POOLING,  
LEA COUNTY, NEW MEXICO.**

**CASE NO. \_\_\_\_\_**

**APPLICATION**

Avant Operating, LLC ("Avant"), OGRID Number 330396, through its undersigned attorneys, hereby files this application with the Oil Conservation Division ("Division") pursuant to the provisions of NMSA 1978, § 70-2-17, for an order pooling all uncommitted mineral interests within a standard 640-acre Wolfcamp horizontal spacing unit comprised of the W/2 of Sections 24 and 25, Township 19 South, Range 34 East, N.M.P.M., Lea County, New Mexico. In support of this application, Avant states as follows:

1. Avant has an interest in the subject lands and has a right to drill and operate a well thereon.
2. Avant seeks to dedicate the W/2 of Sections 24 and 25, Township 19 South, Range 34 East, N.M.P.M., Lea County, New Mexico to form a 640-acre, more or less, Wolfcamp horizontal spacing unit.
3. Avant plans to drill the following wells:
  - a. **Strong Tusk 25 Fed Com #721H** and **Strong Tusk 25 Fed Com #005H** wells with proposed surface hole locations in the SW/4SW/4 (Unit M) of Section 25, and proposed last take points in the NW/4NW/4 (Unit D) of Section 24; and
  - b. **Strong Tusk 25 Fed Com #722H** and **Strong Tusk 25 Fed Com #006H** wells with proposed surface hole locations in the SW/4SW/4 (Unit M) of Section 25, and proposed last take points in the NE/4NW/4 (Unit C) of Section 24.

4. The wells will be horizontally drilled, and the producing areas for the wells are expected to be orthodox.

5. The completed interval for the Strong Tusk 25 Fed Com #721H well is expected to be less than 330 feet from the adjoining tracts, thereby allowing for the inclusion of the proximity tracts within the proposed spacing unit under Rule 19.15.16.15(B)(1)(b) NMAC.

6. Avant sought, but has been unable to obtain, a voluntary agreement from all interest owners in the Wolfcamp formation underlying the proposed spacing unit to participate in the drilling of the wells or to otherwise commit their interests to the wells.

7. The pooling of all interests in the Wolfcamp formation underlying the proposed unit will prevent the drilling of unnecessary wells, prevent waste and protect correlative rights.

WHEREFORE, Avant requests this application be set for hearing before an Examiner of the Oil Conservation Division on December 5, 2024, and after notice and hearing as required by law, the Division enter its order:

A. Pooling all uncommitted interests in the Wolfcamp formation underlying a horizontal spacing unit within the W/2 of Sections 24 and 25, Township 19 South, Range 34 East, N.M.P.M., Lea County;

B. Designating Avant as operator of this unit and the wells to be drilled thereon;

C. Authorizing Avant to recover its costs of drilling, equipping and completing the wells;

D. Approving actual operating charges and costs charged for supervision, together with a provision adjusting the rates pursuant to the COPAS accounting procedure; and

E. Setting a 200% charge for the risk involved in drilling and completing the wells in the event a working interest owner elects not to participate in the wells.

Respectfully submitted,
