STATEMENT OF THE CASE

In **Case No. 25210**, Steward applies to the Division for an order approving a one-year extension of time to commence drilling the well authorized by Order No. R-23144 (“Order”). The Division issued the Order in Case No. 24169 on April 12, 2024, pooling all uncommitted interests in the San Andres Formation underlying a 320-acre, more or less, standard horizontal spacing unit comprised of the W/2 W/2 of Sections 22 and 27, Township 13 South, Range 38 East, Lea County,

New Mexico (“Unit”), and dedicated the Unit to the Pest Control Fee 6H well (“Well”), and designated Steward as operator of the Unit and the Well.

The Order requires Steward to commence drilling the Well within one (1) year of the date of the Order unless good cause is shown. Good cause exists for the requested extension because Steward is evaluating drilling results from offset acreage to determine optimal well spacing in the area. Therefore, Steward requests that the Division extend the deadline to drill the Well until April 12, 2026.
