OIL CONSERVATION DIVISION

APPLICATIONS OF MRC PERMIAN COMPANY  
FOR COMPULSORY POOLING,  
EDDY COUNTY, NEW MEXICO.

CASE NOS. 25247-25248, 25250, & 25252-25254

MOTION TO STRIKE

American Energy Resources LLC ("American") hereby submits this motion to strike MRC Permian Company ("MRC") and their application from the record in its entirety.

Matador is an operator in violation with State law, NMAC, NMAS, the Oil and Gas Act, and has made no good faith efforts to correct their current 18 well violations, obtain adequate financial assurances, or correct their number of wells out of compliance with State law and Rules.

MRC to be allowed to proceed with compulsory pool hearings would be a violation of State law itself under Division obligated duties to protect human health and the environment.  
NMAC 19.15.5.8

WHEREFORE, American respectfully requests that MRC application be denied by the Division.

Respectfully,
