**AMENDED PRE-HEARING ORDER**

This matter comes before the Oil Conservation Division (“Division”) on COG Operating’s *Motion to Amend Pre-hearing Order* (“Motion”) filed June 26, 2025. During the May 22, 2025 status conference—where Paloma Permian AssetCo Co. LLC (“Paloma”) Cases 25187–25192 and Devon Energy Production (“Devon”) Cases 25353–25357, 25359–25364, and 25366–25369 were addressed—COG indicated it intended to submit competing applications. Based on the parties representations on the record the Division believes that both Paloma and Devon anticipated this Motion to Amend and do not object.

Having considered the request, and being fully apprised in the matter, **IT IS HEREBY ORDERED** that good cause exists to grant the Motion. The Pre-Hearing Order issued on May 15, 2025, is amended to include COG Case Nos. 25440-25443. All other conditions remain unchanged and in effect.
