STATEMENT OF THE CASE

These consolidated cases involve the development of the Bone Spring and Wolfcamp formations underlying Sections 27, 28 and 29 of Township 22 South, Range 28 East, NMPM, Eddy County, New Mexico. To efficiently and effectively develop this acreage, MRC seeks to pool spacing units for proposed 3-mile horizontal wells in the Bone Spring and Wolfcamp formation as follows:

- Under **Case 25247**, MRC seeks to pool a standard 480-acre, more or less, horizontal well spacing unit in the Bone Spring formation underlying the N2N2 of Sections 27, 28 and 29 for the proposed **Dick and Donna 2729 Fed Com 121H** well to be horizontally drilled from a surface location in the NW4 of Section 26, with a first take point in the NE4NE4 (Unit A) of Section 27 and a last take point in the NW4NW4 (Unit D) of Section 29.
- Under **Case 25248**, MRC seeks to pool a standard 480-acre, more or less, horizontal well spacing unit in the Bone Spring formation underlying the S2N2 of Sections 27, 28 and 29 for the proposed **Dick and Donna 2729 Fed Com 122H** well to be horizontally drilled from a surface location in the NW4 of Section 26, with a first take point in the SE4NE4 (Unit H) of Section 27 and a last take point in the SW4NW4 (Unit E) of Section 29.

- Under **Case 25250**, MRC seeks to pool a standard 960-acre, more or less, horizontal well spacing unit in the Woflcamp formation underlying the N2 of Sections 27, 28 and 29 for the following proposed wells to be drilled from a surface location in the NW4 of Section 26:
 - **Dick and Donna 2729 Fed Com 201H**, with a first take point in the NE4NE4 (Unit A) of Section 27 and a last take point in the NW4NW4 (Unit D) of Section 29, and
 - **Dick and Donna 2729 Fed Com 202H**, with a first take point in the SE4NE4 (Unit H) of Section 27 and a last take point in the SW4NW4 (Unit E) of Section 29.
- Under **Case 25252**, MRC seeks to pool a standard 480-acre, more or less, horizontal well spacing unit in the Bone Spring formation underlying the N2S2 of Sections 27, 28 and 29 for the proposed **Warrior 2729 Fed Com 123H** well to be horizontally drilled from a surface location in the SW4 of Section 26, with a first take point in the NE4SE4 (Unit I) of Section 27 and a last take point in the NW4SW4 (Unit L) of Section 29.
- Under **Case 25253**, MRC seeks to pool a standard 480-acre, more or less, horizontal well spacing unit in the Bone Spring formation underlying the S2S2 of Sections 27, 28 and 29 for the proposed **Warrior 2729 Fed Com 124H** well to be horizontally drilled from a surface location in the SW4 of Section 26, with a first take point in the SE4SE4 (Unit P) of Section 27 and a last take point in the SW4SW4 (Unit M) of Section 29.
- Under **Case 25254**, MRC seeks to pool a standard 960-acre, more or less, horizontal well spacing unit in the Woflcamp formation underlying the S2 of Sections 27, 28 and 29 for the following proposed wells to be drilled from a surface location in the SW4 of Section 26:
 - **Warrior 2729 Fed Com 203H**, with a first take point in the NE4SE4 (Unit I) of Section 27 and a last take point in the NW4SW4 (Unit L) of Section 29, and
 - **Warrior 2729 Fed Com 204H**, with a first take point in the SE4SE4 (Unit P) of Section 27 and a last take point in the SW4SW4 (Unit M) of Section 29.

In June Mewbourne obtained permission from the Division to file pooling applications for the Bone Spring and Woflcamp formations for its proposed 2.5-mile Doubtfire wells. These applications were assigned Case Nos. 25471-25474 and overlapped the spacing units proposed by MRC in the W2 of Section 29. However, Mewbourne has now dismissed these competing pooling applications and withdrawn its objection to MRC's pooling applications.

APPLICANT'S PROPOSED EVIDENCE

WITNESS Name and Expertise	ESTIMATED TIME	EXHIBITS
Hanna Rhoades, Landman	Self-Affirmed Statement	Approx. 6
Andrew Parker, Geologist	Self-Affirmed Statement	Approx. 7

PROCEDURAL MATTERS

Since the competing Mewbourne Cases 25471-25474 have now been dismissed, MRC intends to present these cases by self-affirmed statements but will have its witnesses available virtually for any questions.

Respectfully submitted,

HOLLAND & HART LLP
