ORDER OF DISMISSAL

THIS MATTER came before the Oil Conservation Division (“Division”) upon the *Motion to Dismiss* filed by Applicant, Mewbourne Oil Company on July 22, 2025. The Applicant seeks to dismiss its pending applications prior to hearing. The Division, having considered the *Motion to Dismiss*, including previous communications between the involved parties and the anticipated dismissal by Mewbourne, finds the following:

1. The Motion is properly filed and presented for consideration.
2. No party of record has opposed the Motion.
3. Good cause exists to grant the dismissal.
4. Dismissal of the applications will not unfairly disadvantage any party.

Based on these findings, it is therefore ordered that the applications filed by Mewbourne Oil Company are dismissed without prejudice.
