**APPLICATION OF MATADOR PRODUCTION
COMPANY TO EXTEND THE DRILLING
DEADLINE UNDER ORDER NO. R-22800-A,
EDDY COUNTY, NEW MEXICO.**

**CASE NO. _____
ORDER NO. R-22800-A**

APPLICATION

Matador Production Company (“Matador” or “Applicant”), through its undersigned attorneys, hereby files this application with the Oil Conservation Division to extend the drilling deadline under compulsory pooling Order No. R-22800-A (“Order”). In support of its application, Matador states:

1. On August 4, 2023, the Division entered Order No. R-22800 in Case No. 22989, which approved a non-standard 670.38-acre, more or less, horizontal spacing unit in the Bone Spring formation (WC-015 G-05 S202935P; Bone Spring [97995]) comprised of Lots 1-8 (N/2 N/2 equivalent) of irregular Sections 1 and 2, Township 21 South, Range 28 East, and Lots 3-6 (N/2 NW/4 equivalent) of irregular Section 6, Township 21 South, Range 29 East, NMPM, Eddy County, New Mexico (the “Unit”), and pooled the uncommitted interests therein. Matador is the designated operator under the Pooling Order and the pooled spacing unit is initially dedicated to the proposed **Simon Camamile 0206 Fed Com 111H** (API No. 30-015-54306), **Simon Camamile 0206 Fed Com 121H** (API No. 30-015-PENDING), **Simon Camamile 0206 Fed Com 132H** (API No. 30-015-54308), **Simon Camamile 0206 Fed Com 112H** (API No. 30-015-54307), and the **Simon Camamile 0206 Fed Com 122H** (API No. 30-015-PENDING).

2. On October 2, 2024, the Division entered Order R-22800-A in Case No. 24595 extending until August 5, 2025, the deadline to drill the initial well under the Pooling Order.

3. Good cause exists to extend the deadline to commence drilling the initial well under the Pooling Order.

4. Under the Order, Applicant would be required to commence drilling the wells by August 5, 2025, and therefore, asks for the deadline to commence drilling the wells be extended for a year, to August 5, 2026.

WHEREFORE, Applicant requests that this application be set for hearing before an Examiner of the Oil Conservation Division on September 11, 2025, and, after notice and hearing as required by law, the Division enter an order extending the time for Matador to commence drilling the proposed initial wells under the Order.

Respectfully submitted,

HOLLAND & HART LLP
