CASE NO. 26197

**OIL CONSERVATION DIVISION'S
DOCKETING NOTICE AND MOTION FOR CONTINUANCE**

The New Mexico Oil Conservation Division (“OCD”), pursuant to 19.15.5.10(E)(2)(a) NMAC, gives notice that it has docketed the Notice of Violation (“NOV”), a true and correct copy of which is attached as **Exhibit A**, and states the following in support thereof:

1. On or about May 21, 2026, OCD issued an original NOV to the above-referenced operator (“Respondent”).
2. Based upon information, custom, and belief, certified mail containing the NOV arrived or will soon arrive at Respondent’s address of record. Additionally, electronic mail was sent to Respondent’s known email addresses of record and based upon past correspondence with Respondent, if any.
3. The NOV identifies the factual basis for the alleged violations, the compliance actions required to remedy the alleged violations, and the proposed sanctions.
4. The Original NOV stated that if Respondent did not informally resolve the NOV within 30 days of receipt of service, then OCD would proceed to a hearing.
5. Unless this case is resolved prior, the period for informal resolution will have elapsed without coming to a resolution prior to July 21, 2026.
6. The NOV states that OCD will hold a hearing on June 25, 2026, should this case fail to be resolved prior to that date. However, OCD is seeking to continue this case to the July 21, 2026 docket, in order for this case to comply with the deadlines set forth in 19.15.5.10 NMAC, including Respondent’s ability to timely answer the NOV prior to hearing. A proposed Order continuing the case is attached hereto as **Exhibit B**.

WHEREFORE, OCD requests that the NOV be docketed for hearing on July 21, 2026.

Respectfully submitted,
