YOU ARE HEREBY COMMANDED pursuant to NMSA 1978, §70-2-8 and Rule 19.15.4.16.A NMAC to produce the following documents by email to agrankin@hollandhart.com or at the offices of Holland & Hart LLP, 215 Lincoln Avenue, Suite 100, Santa Fe, New Mexico, 87501, within thirty (30) days of service of this subpoena:

1. Documents, summaries, data, analyses, and reports, including internal and external correspondence, reflecting or relating to the planned or actual sequencing and timing of drilling and completion (including spud dates, completion dates, and any changes thereto) for the following wells:
 - Petty Federal Com 31CD 001H well, to be horizontally drilled from a surface hole location approximately 441' FWL and 1,717' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 2,628' FSL of Section 31-16S-31E;

- Petty Federal Com 31CD 002H well, to be horizontally drilled from a surface hole location approximately 441' FWL and 1,697' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 2,319' FSL of Section 31-16S-31E;
- Petty Federal Com 31CD 003H well, to be horizontally drilled from a surface hole location approximately 441' FWL and 1,677' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 2,159' FSL of Section 31-16S-31E;
- Petty Federal Com 31CD 004H well, to be horizontally drilled from a surface hole location approximately 441' FWL and 1,657' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 1,785' FSL of Section 31-16S-31E;
- Petty Federal Com 31CD 005H well, to be horizontally drilled from a surface hole location approximately 441' FWL and 1,637' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 1,410' FSL of Section 31-16S-31E;
- Petty Federal Com 31CD 006H well, to be horizontally drilled from a surface hole location approximately 1,085' FWL and 676' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 1,250' FSL of Section 31-16S-31E;
- Petty Federal Com 31CD 007H well, to be horizontally drilled from a surface hole location approximately 1,086' FWL and 656' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 875' FSL of Section 31-16S-31E;
- Petty Federal Com 31CD 008H well, to be horizontally drilled from a surface hole location approximately 1,086' FWL and 636' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 500' FSL of Section 31-16S-31E; and
- Petty Federal Com 31CD 009H well, to be horizontally drilled from a surface hole location approximately 1,087' FWL and 616' FSL of Section 32-16S-31E and a bottomhole location approximately 20' FWL & 340' FSL of Section 31-16S-31E.

(collectively, the "Wells").

2. Documents, summaries, data, analyses, reports, and permits, including internal and external correspondence, reflecting or relating to the planning and drilling of the Petty Federal Com 31CD 006H well, which was completed on May 24, 2026.
3. Documents, communications, reports, analyses, and data that support Longfellow's contention that no waste, impairment of correlative rights, parent-child effects, or other detrimental impact to Spur's working interest will occur by its deviation from the pooling order reflected in the notice of deviation attached as Exhibit B hereto.

4. Documents, communications (internal and external), reports, and analyses reflecting changes made to the originally proposed, and applied for, initial wells approved under Order No. R-24036.
5. All documents, communications (internal and external), reports, analyses, and data that relate to or reference the May 1, 2026 meeting between Longfellow and Spur referenced in Paragraph 20 of Longfellow's Response to Spur's Emergency Motion that was filed on May 15, 2026.
6. All documents, communications (internal and external), reports, analyses and data relating to or reflecting Longfellow's "comprehensive modifications to be made via amendment to Order No. R-24036 after the Petty 31CD 006H well was drilled[,]" (emphasis retained), referenced in Paragraph 20 of Longfellow's Response to Spur's Emergency Motion that was filed on May 15, 2026.
7. All applications for permit to drill, and any associated drilling and engineering design submissions, provided to the Bureau of Land Management related to the Wells.

This subpoena is issued on application of Spur Energy Partners, LLC through its attorney, Adam G. Rankin of Holland & Hart LLP.

Dated this 24th day of June 2026.
