**APPLICATION**

Ann. § 70-2-17, for an order (1) creating a 320-acre, more or less, spacing and proration unit comprised of the E/2 W/2 of Section 4 and the E/2 W/2 of Section 9, Township 26 South, Range 36 East, NMPM, Lea County, New Mexico; and (2) pooling all uncommitted mineral interests in the Wolfcamp formation. In support of its application, Ameredev states:

1. Ameredev is a working interest owner in the proposed non-standard spacing unit has the right to drill thereon.
2. Ameredev proposes to dedicate the above-referenced spacing and proration unit as the project area for its proposed **Firethorn Fed Com 26-36-04 No. 113H Well**, which will be horizontally drilled from a surface location in the SE/4 SW/4 (Unit N) of Section 33, Township 25 South, Range 36 East to a standard bottom hole location in the SE/4 SW/4 (Unit N) of Section 9, Township 26 South, Range 36 East.
3. The completed interval for this well will remain within the 330-foot standard offset required by the Statewide Rules set forth in 19.15.15 NMAC.

4. Ameredev has sought and been unable to obtain voluntary agreement for the development of these lands from all of the working interest owners in the subject spacing unit.

5. The pooling of interests will avoid the drilling of unnecessary wells, will prevent waste and will protect correlative rights.

6. In order to permit Ameredev to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted mineral interests in this non-standard spacing unit should be pooled and Ameredev Operating, LLC should be designated the operator of this proposed horizontal well and spacing unit.

WHEREFORE, Ameredev requests that this application be set for hearing before an Examiner of the Oil Conservation Division on November 30, 2017, and, after notice and hearing as required by law, the Division enter an order:

- A. Creating a 320-acre, more or less, non-standard spacing and proration unit in the Wolfcamp formation, comprised of the E/2 W/2 of Section 4 and the E/2 W/2 of Section 9, Township 26 South, Range 36 East, NMPM, Lea County, New Mexico;

- C. Designating Ameredev Operating, LLC operator of this non-standard spacing unit and the horizontal well to be drilled thereon;
- D. Authorizing Ameredev to recover its costs of drilling, completing, and equipping the well;
- E. Approving the actual operating charges and costs of supervision while drilling and after completion, together with a provision adjusting the rates pursuant to the COPAS accounting procedures; and

- F. Imposing a 200% penalty for the risk assumed by Ameredev in drilling and completing the well against any working interest owner who does not voluntarily participate in the drilling of the well.

Respectfully submitted,
