IN THE MATTER OF THE APPLICATION
OF READ & STEVENS, INC. FOR
COMPULSORY POOLING, EDDY COUNTY,
NEW MEXICO.

Case No. 2344

APPLICATION

COMES NOW Read & Stevens, Inc., a New Mexico corporation, and hereby makes application for compulsory pooling of all mineral interest in the Morrow formation underlying the $W\frac{1}{2}$ Section 19, Township 23 South, Range 28 East, N.M.P.M., Eddy County, New Mexico, containing 318.34 acres, more or less, and for grounds thereof states:

1. Applicant has been diligent in its efforts to form a proration unit for the drilling of a well, to be located 2,310 feet from the North line and 1,947 feet from the West line of said Section 19, but there remains non-consenting interest owners in the subject proration unit who have not agreed to the pooling of their interest.

2. That to avoid the drilling of unnecessary wells, to protect correlative rights, and to afford the owner of each interest in said proration unit the opportunity to recover or receive without unnecessary expense his just and fair share of the gas and associated hydrocarbons producible from the Morrow formation, this regulatory body should approve the pooling of all mineral interest, whatever they may be, within said unit.

3. Applicant proposes to dedicate the subject proration unit to the well to be located as aforesaid.

4. Applicant seeks permission to withhold the proceeds from production attributable to each non-consenting working interest until such time as each interest's share of the cost of said well has been recovered plus 200% thereof as a charge for the risk involved in the drilling of the well.

5. That after due public notice, this regulatory body should enter its order granting compulsory pooling in accordance with this Application, fixing a charge for risk, fixing a per month cost for operating the well, and granting to each non-consenting working interest owner the privilege to join in the payment of drilling the well in accordance with law. That such order should further provide that Applicant be appointed as Operator of the well.
