Republic Production Company
San Angelo, Texas
Gentlemen:
This is to advise that Mr. Robert Saller and I purpose to
secure the permission of the Oil Conservation Commission
of the State of New Mexico to drill a well for oil and gas
in the southeast corner of the E¹/₄SE¹/₄ of Section 35, Town-
ship 17 South, Range 29 East, N. M. P. M., Eddy County, New
Mexico, at a point 100 feet north of the south line of said
tract and 100 feet west of the east line of said tract. We
are advised that you own the oil and gas lease and lease-
hold estate embracing the SW¹/₄SE¹/₄ of Section 35, Township
17 South, Range 29 East, N. M. P. M., Eddy County, New
Mexico, by virtue of a lease issued by the United States
of America.
In consideration of your making no objection to the pro-
posed location we agree to relieve you of the obligation
of paying compensating royalty to the United States of
America to which our location will subject your lease.
Mr. Ernest A. Hanson, Supervisor of Oil and Gas Operations
of the Interior, advised that the compensating royalty
for which your lease would become obligated would be 1.5
percent. We agree to pay this sum or any other sum com-
puted on the basis of the regulations promulgated by the
Secretary of the Interior of the United States and will
save you harmless from any obligation to pay the same
caused by a well situated on our proposed location.

Very truly yours,

SALLER & YATES
