NW 1/4, Sec. 24-17-21

NATIONAL AMERICAN PETITION OF PETITION

Come now M. A. Antwell and Conchas Development Company, Petitioners in the above entitled matter, and respectfully represent and show to the Commission:

1. That Petition has heretofore been filed by these petitioners in the alternative requesting either that American Surety Company of New York be required to properly pull the casing now located in the hole in the well heretofore drilled by Southwestern Drilling Company, Inc. on the NW 1/4 Sec. 24, Township 17 N., Range 21 E. N. M. and to plug said hole in accordance with the laws of the State of New Mexico, or that Petitioner herein be granted permission to pull said casing and plug said well.

2. That American Surety Company of New York has agreed to consent that an order be issued by the Commission granting Petitioners the right to pull the casing now located in said hole and to plug the well in accordance with the laws of the State of New Mexico, provided the petitioners herein agree that no order be entered herein requiring that American Surety Company of New York be required to pull said casing or plug said hole.

Therefore, petitioner herein requests permission to withdraw that portion of the Petition in the above entitled matter which requests an order of this Commission requiring American Surety Company of New York to pull the casing and plug said hole; said portion of said petition to be withdrawn upon American Surety Company of New York filing in writing an agreement that an order of this Commission be entered permitting the petitioners herein to pull said casing and plug said hole.
