Re: Case No. 5171 - Application of Coquina Oil
Corporation for compulsory pooling.

Dear Mr. Porter:

This is to request that the above case, presently set for hearing before Mr. Richard L. Stamets, Examiner, on February 13, 1974, be dismissed. The parties involved in this case, and in Case No. 5170 have reached an agreement which disposes of the questions involved.

No action has yet been taken by the Commission in Case No. 5148, heard Jan. 16, 1974. This was the application of Coquina Oil Corporation for approval of an unorthodox well location 990 feet from the North and East lines of Sec. 16, Township 19 South, Range 25 East, Boyd-Morrow Gas Pool. Action on this case had been deferred pending hearing of Cases 5170 and 5171. It is my understanding that Monsanto has withdrawn any objection to the unorthodox well location, and a ruling on this case would be appreciated.

Yours very truly,

Jason W. Kellahin
