Gentlemen:

On February 28, 1974, and again on April 11, 1974, we wrote to you requesting that you submit Commission Form C-103 indicating the status of your New Mexico State Well No. 2 located in Unit K of Section 11, T-10-S, R-32-E, but to date we have had no reply.

Since you have chosen to ignore our requests for information, we have no alternative but to set the matter for hearing to enable you to show cause as to why the well should not be plugged and abandoned. By copy of this letter, we are so advising Mr. William F. Carr, attorney for the Commission.

Yours very truly,

OIL CONSERVATION COMMISSION
