ASS. NO. 125

TO THE HONORABLE OIL CONSERVATION COMMISSION OF THE STATE OF NEW MEXICO:

The Petitioners, herein appearing by their attorney, Donald S. Bush of Artesia, New Mexico, hereby make application for an order approving the deepening of an unorthodox location located 1070 feet from the North line and 1070 feet from the East line of Section 28, Township 13 South, Range 23 East, N.M.P.M.,ddy County, New Mexico; said location being closer to the boundary lines of the units involved than is permitted by general rules and regulations, and in support thereof respectfully state as follows:

1. That said unorthodox location was known as the Flynn, Welch, and Yates State No. 52 well, and was previously completed to a total depth of 2160 feet on the 15th day of October, 1926, prior to the enactment of the Oil and Gas Conservation laws of the State of New Mexico.

2. That the unit on which said well was drilled is a part of that certain oil and gas lease No. 647, title to which, by subsequent assignments, has been lodged in Falco Minerals, Incorporated, Falco Oiler d/b/a Falco Oil Company, and Martin Yates Jr., as co-owners.

3. That your Petitioners desire to deepen said unorthodox location to a depth of approximately 2200 feet for the reason that the probe to the said well has been removed below the economic limit of production and that by deepening said well, your Petitioners can more readily obtain the geologic information.

necessary to determine the feasibility of drilling said acreage to said lower depth.

In consideration of the foregoing statements, your Petitioners respectfully request that the Commission give notice as required by the rules and regulations of the Commission; that a hearing of this matter be held; that the Petitioners be permitted to offer proof of the facts herein stated, and that the Commission make the following finding and order, to wit:

A. That the Commission execute an order authorizing your Petitioners to deepen the unorthodox location as herein stated.
