TRANSCRIPT OF HEARING

MR. NUTTER: We will call Case Number 3169--application of Pan American Petroleum Corporation for force-pooling, San Juan County, New Mexico.

MR. BUELL: If it please the Examiner, I am Guy Buell for Pan American Petroleum Corporation--we have the next six cases on the docket. Three of these cases--we have been successful in three of the cases since the last hearing to voluntarily pool these units. For that reason I would like to formally move now that Cases Number 3169, 3171 and 3172 be dismissed, in that we have been successful in voluntarily pooling and forming a standard basin.

MR. NUTTER: Do you want to consolidate the other three?

MR. BUELL: I was going to make that motion next.

MR. NUTTER: We will call Cases Number 3170, 3171, 3172, 3173 and 3174. The style of each is "application of Pan American Petroleum Corporation for force-pooling, San Juan County, New Mexico."

Counsel moves that Cases Number 3169, 3171 and 3172 be dismissed. These cases are dismissed.
