Gentlemen:

This is to advise that the undersigned has been given due notice that Tom Schneider has made application for injection of salt water into the Rustler formation on the State 1-SWD located:

1650 FEL & 330 FSL, Section 16, T-23, R-36,
Lea County, New Mexico

We hereby waive any objection to the granting of this application.

Executed this _____ day of _____, 1969.

J. E. Matkins

Mr Tom Schneider

Dear Sir -

I will not approve of any Salt Water to be injected into Rustler formation from your well in Section 16. I have already lost one well, from Salt Water pits, and I have two more, which I am worried about. One at the Ranch house in Section 15 about one mile from your salt water pit - The other water well ~~water well~~ is about 1/2 mile from your salt water pit.

I Can't afford to take any more chances of loosing a Water Well.

Sincerely yours
J. E. Matkins
