In Re: Application Two States Oil Company - Irregular location SW¼SE¼ Sec. 21, Twp. 18 S. Rge. 38 E.

Gentlemen:

Since filing notice of intention to drill and petition for hearing thereon, Two States Oil Company has hed Mr. Ben Bowers of Hobbs, make a detailed survey of the said SW¼SE¼ Sec. 21, Twp. 18 S. Rge. 38E., and as a result of this survey it is indicated that a location can be made 230 feet from the West line and 230 feet from the South line of said 40 acres. The only purpose of Two States application for an irregular location being on account of the railroad right-of-way and the highway right-of-way, I advise as attorney for Two States Oil Company that we will at the time of the hearing modify our application and request a 230 foot location.

Yours very truly,

Herman R. Crile
