RE: ENVIROTECH LANDFARM #4 C-137 APPLICATION SUBMITTAL TIME EXTENSION REQUEST

At this time Envirotech is requesting additional time to respond to the New Mexico Oil Conservation (NMOCD) letter dated November 14, 2023. Envirotech was unable to meet the required timeline due to difficulties surrounding work constraints and workforce turnover.

Envirotech is requesting an additional 90-day Extension to properly address the items listed in the November 2023 letter from the NMOCD. Envirotech is requesting a 90-day extension from the date of this letter.

We appreciate the opportunity to be of service. If you have any questions or require additional information, please contact our office at (505) 632-0615.

Respectfully Submitted,
ENVIROTECH, INC.
