

STATE OF NEW MEXICO
ENERGY AND MINERALS DEPARTMENT
OIL CONSERVATION DIVISION

IN THE MATTER OF THE HEARING
CALLED BY THE OIL CONSERVATION
DIVISION FOR THE PURPOSE OF
CONSIDERING:

CASE NO. 8606
Order No. R-8013

APPLICATION OF DOYLE HARTMAN FOR
SIMULTANEOUS DEDICATION AND
COMPULSORY POOLING, LEA COUNTY,
NEW MEXICO.

ORDER OF THE DIVISION

BY THE DIVISION:

This cause came on for hearing at 8 a.m. on July 2, 1985, at Santa Fe, New Mexico, before Examiner Gilbert P. Quintana.

NOW, on this 20th day of August, 1985, the Division Director, having considered the testimony, the record, and the recommendations of the Examiner, and being fully advised in the premises,

FINDS THAT:

(1) Due public notice having been given as required by law, the Division has jurisdiction of this cause and the subject matter thereof.

(2) The applicant, Doyle Hartman, seeks an order pooling all mineral interests from the surface to the base of the Jalmat Gas Pool underlying the NW/4 of Section 8, Township 24 South, Range 37 East, NMPM, Lea County, New Mexico, forming a previously approved 160-acre non-standard spacing and proration unit in the Jalmat Gas Pool.

(3) The applicant proposes to simultaneously dedicate said gas proration unit to his existing E. E. Jack Well No. 1 located 1980 feet from the North line and 660 feet from the West line (Unit E) of said Section 8 and his proposed E. E. Jack Well No. 5 to be drilled at a standard location within said unit.

(4) Marilyn A. Tarlton, interest owner in the subject proration unit and trustee of the surviving trustor's trust of the Lortscher Family Trust, dated November 26, 1980, has not agreed to the drilling of said E. E. Jack Well No. 5.

-2-

Case No. 8606

Order No. R-8013

(5) Evidence was presented showing that an operating agreement entitled, "Operating Agreement", dated January 16, 1951, covering the subject unit area, was entered into by and between Howard Hogan, operator, and Charles T. Scott, Harold S. Russell, Herbert J. Schmitz, and F. D. Lortscher, non-operators.

(6) Said operating agreement was modified December 15, 1954, by an agreement entitled, "Modification of Operating Agreement" and was entered into by and between R. Olsen, operator, and the same non-operators in Finding No. (5) above.

(7) The applicant, Doyle Hartman, controls 66.667 percent of the subject proration unit, including the titles of Howard Hogan, R. Olsen, Herbert J. Schmitz, and Charles T. Scott, Jr.

(8) Marilyn A. Tarlton controls the title of F. D. Lortscher, which is 20 percent of the subject proration unit.

(9) Ms. Tarlton contends that the applicant, other interest owners, and herself are governed by the operating agreements in Findings Nos. (5) and (6) above, hereafter referred to as the "Agreements."

(10) The "Agreements" have provisions for the drilling of additional wells on the subject proration unit, including provisions for non-consent drilling risk penalties, drilling supervision charges, and production supervision charges.

(11) The applicant failed to provide evidence to refute that the "Agreements" are not binding and do not govern the operation of the subject proration unit.

(12) Because of a lack of evidence to the contrary, it appears that the "Agreements" are current binding operating agreements for the subject proration unit, having provisions governing those issues to be addressed in compulsory pooling cases obviating the need for such a hearing in this case.

(13) The compulsory pooling portion of this application should be denied.

(14) The simultaneous dedication portion of this application should be approved, provided the proposed new well is drilled under the provisions of the "Agreements."

-3-

Case No. 8606
Order No. R-8013

IT IS THEREFORE ORDERED THAT:

(1) The portion of the application of Doyle Hartman seeking an order pooling all mineral interests from the surface to the base of the Jalmat Gas Pool underlying the NW/4 of Section 8, Township 24 South, Range 37 East, NMPM, Lea County, New Mexico, is hereby denied.

(2) The previously approved 160-acre non-standard gas proration unit, comprising the NW/4 of said Section 8, shall be simultaneously dedicated to the proposed E. E. Jack Well No. 5 and the applicant's E. E. Jack Well No. 1 located in Unit E of said Section 8 provided the E. E. Jack Well No. 5 is drilled under the terms of the "Agreements."

(3) Jurisdiction of this cause is retained for the entry of such further orders as the Division may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.
