Was this a major release as defined by	If YES, for what reason(s) does the responsi	ble party consider this a major release?
19.15.29.7(A) NMAC?		
☐ Yes ☐ No		
If VFS, was immediate no	otice given to the OCD? By whom? To what	n? When and by what means (phone, email, etc)?
II 125, was ininectate no	once given to the OCD. By whom: To who	ii. When and by what means (phone, eman, etc).
	Initial Res	ponse
The responsible p	party must undertake the following actions immediately u	nless they could create a safety hazard that would result in injury
☐ The source of the rele	ease has been stopped.	
☐ The impacted area has	is been secured to protect human health and th	e environment.
Released materials ha	ave been contained via the use of berms or dik	es, absorbent pads, or other containment devices.
☐ All free liquids and re	ecoverable materials have been removed and r	nanaged appropriately.
If all the actions described	d above have <u>not</u> been undertaken, explain wh	y:
has begun, please attach a	a narrative of actions to date. If remedial eff	nediation immediately after discovery of a release. If remediation forts have been successfully completed or if the release occurred ase attach all information needed for closure evaluation.
		st of my knowledge and understand that pursuant to OCD rules and
public health or the environn	ment. The acceptance of a C-141 report by the OCI	ations and perform corrective actions for releases which may endanger D does not relieve the operator of liability should their operations have
		to groundwater, surface water, human health or the environment. In sponsibility for compliance with any other federal, state, or local laws
and/or regulations.
