Was this a major release as defined by 19.15.29.7(A) NMAC? ☐ Yes ☐ No	If YES, for what reason(s) does the re	esponsible party consider this a major release?	
If YES, was immediate no	tice given to the OCD? By whom? T	o whom? When and by what means (phone, email, etc)?	
	Initia	Response	
The responsible	party must undertake the following actions imme	diately unless they could create a safety hazard that would result in injury	
The source of the rele	ease has been stopped.		
☐ The impacted area ha	s been secured to protect human health	and the environment.	
Released materials ha	ave been contained via the use of berms	or dikes, absorbent pads, or other containment devices.	
☐ All free liquids and re	ecoverable materials have been remove	d and managed appropriately.	
has begun, please attach	a narrative of actions to date. If reme	ace remediation immediately after discovery of a release. If remediation dial efforts have been successfully completed or if the release occurred C), please attach all information needed for closure evaluation.	
I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to OCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the OCD does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to groundwater, surface water, human health or the environment. In addition, OCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
