Nelson, Final confirmation sampling will be performed at the Mattie Price for Osborn Heirs on Tuesday November 7, 2023 at 1:00 PM. Thank you for your patience, the rain and availability of heavy equipment has us slowed down.

Nelson, I went by the Mattie Price yesterday afternoon and found that. due to all the rain, part of the south side of the north excavation has caved into the excavation covering part of the area that we need to sample on Friday. The quickest we can get a backhoe to clean the bottom of the excavation is next Thursday, October 19, 2023. We will sample on Friday, October 20, 2023 instead of this Friday. Sorry for the delay.

Nelson,

We received rain again last night and there was too much mud in the north excavation to conduct the confirmation sampling scheduled for today. The south excavation did not have as much mud and we were able to conduct the confirmation sampling today.

We will attempt to reschedule the north excavation confirmation sampling for Friday, October 13, 2023 at 1:00 PM.

Thank you.
