Any photos would be good and proof of land owner approval.

Hello Leonard,

I could not locate photos in our file. But we have contacted the contractor who performed the work and should have both the landowner's name (we dealt with their ranch manager) and photos next week. Thank you for your patience.

Ms. Diane M. Kassab,

Good afternoon.

Do you have any photographs of the final lay of the surface for this location?

Who is the Landowner of the location? Do they like the result of the P & A status?

llowe
